**Subject:** Uber- Please find a solution

Please do not bow to the entrenched interests who want to stifle progress.

We use Uber very frequently and have found that it is convenient, safe and affordable.

Our traditional taxi options are unreliable and overpriced.

Thank you,

Concerned Citizen

To whom it may concern:

I deserve access to safe, affordable transportation options. I fully believe UBER should be allowed to operate in South Carolina and feel it is very unfair and very suspect to ask them to stop operations. Whether its money or politics influencing this wrong decision, it is my hope that for the integrity of your office, you would reconsider this position.

Regards,

Angela Palmieri
